

RCCC Awards Programme

March 2008

Dear Parent/Guardian,

As part of junior curling development, the Royal Caledonian Curling Club (RCCC) operates an award scheme in recognition of an individual's achievement.

This scheme known as the Red, White, Blue, Bronze, Silver and Gold awards form part of the coaching programme delivered at Stirling Young Curlers. All available young curlers have now completed their assessments, however, whilst the coaching and evaluation of these are included within the membership and weekly ice fees, the RCCC impose a £6 per candidate charge to cover administration, certification and badge costs.

In order for us to present these at our Closing Bonspiel, we would be grateful should you wish your child's assessments to be ratified by the RCCC, for the **£6** per head Royal Club fee together with the completed detached form below be returned to either **Margaret Mauchline or Steve Russell** on or before the **22nd March** (Closing Bonspiel).
